"Dear Sponsor" Letters

(Because of their originality and charm, we are quoting and printing the children's letters "word-for-word.")

Dear Sundt Foundation,

Thank you for getting us to Safetyville! I liked safetyville and I learned about safety like look both ways and to not go with strangers yell and tell and not play on train tracks.
Pablo 1st Grade

Dear Yocha DeHe

I had a good time at Safetyville. I learned a lot of things. When your house is on fire you crawl low on the ground and go outside.
Jared, 2nd Grade

Dear Setzer Foundation,

Thank you for the awesome field trip! We learned a lot about staying safe!

Sincerely,

Aiyanna and Mrs. Lee's Kindergarten Class

Thank You Adopt-A-Class Sponsors

Due to Funding cutbacks in schools, the Adopt-A-Class program was developed to provide buses to and from **Safetyville USA** for schools that otherwise may not be able to secure bus transportation. Thank you to these organizations that recognized the importance of safety education for children.
