## OVERVIEW:

This "Train the Trainer" program is specific to the counterbalanced forklift (ITA\*\* Classes 1,4 and 5) and will teach the trainee how to effectively train operators of this equipment and deliver an effective, fully compliant counterbalanced forklift operator certification program. Each trainee's knowledge and demonstrated skills in all aspects of the program are evaluated and graded. This program, its content and structure, meet or exceed all existing OSHA, ANSI/ITSDF and ISO 9000 regulations and standards. **Operator credentials are not issued during this program.** \*\*Industrial Truck Association

## PREREQUISITES:

Trainees enrolled in the 2-Day Express Program, should have a moderate knowledge of the equipment addressed and will be sent a Counterbalanced Operator Reference Manual a minimum of one week prior to the program for review and completion. **It is mandatory that the manual be completed prior to participation and brought to the course for successful completion.**

*Note: A portion of the 'hands-on' training will be outdoors, please wear appropriate clothing & your company's work required footwear (i.e. steel-toed shoes).*
