OSHA #500: TRAINER COURSE IN OSHA STANDARDS FOR CONSTRUCTION

DATES: September 13-16, 2010

LOCATION: Safety Center Incorporated
 3909 Bradshaw Road
 Sacramento, CA 95827

HOURS: 8 am - 5 pm

TUITION: ~~\$750~~

PREREQUISITES: Course #510 and 5 years of construction safety experience. A college degree in occupational safety and health, a Certified Safety Professional (CSP), Certified Industrial Hygienist (CIH) designation, or an OTC Certified Safety and Health Official (Level III) designation may be substituted for 2 years of experience. Participants must submit a Prerequisite Eligibility form and requested documentation prior to the start of class.

NOTE: Prior training experience is recommended before taking this class. Students in Course #500 must prepare a one-hour presentation on an assigned OSHA Construction Outreach topic individually or as part of a group, and successfully pass a written exam at the end of the course to become an authorized Outreach Trainer. Construction Outreach Trainers are required to attend Course #502 or retake #500 at least once every 4 years to maintain their authorized trainer status.

OVERVIEW:

This course is designed for those who are interested in teaching the 10-hour and 30-hour construction safety and health outreach classes to employees and other interested groups. Special emphasis is placed on those topics that are required in the 10-hour and 30-hour classes as well as on those that are the most hazardous in the construction industry, using OSHA standards as a guide. Course participants learn effective instructional approaches and the successful use of visual aids and handouts. This course authorizes the student to become a trainer in the Outreach Program and to conduct both 10-hour and 30-hour construction safety and health courses, and to issue cards to participants verifying course completion.

ABOUT THE TRAINING PROVIDERS

Safety Center was founded in 1934. Their mission is to reduce injuries and save lives by providing safety education and training. They accomplish this mission by promoting lifelong safety and health through a variety of community and professional programs.

The Chabot-Las Positas Community College District (CLPCCD) Osha Training Center, the only authorized OSHA Training Institute Education Center in Northern California, provides the highest quality safety and health training available based on the most current OSHA regulations and information.
