## OVERVIEW:

Developed in partnership with Cal/OSHA, this new course emphasizes CCR Title 8 Construction Industry Standards and compliance. The course also provides existing Fed OSHA Outreach Trainers with an endorsement authorizing them to teach 10-hour and 30-hour Federal and Cal/OSHA Outreach courses.

## ABOUT THE TRAINING PROVIDERS

**Safety Center** was founded in 1934. Their mission is to reduce injuries and save lives by providing safety education and training. They accomplish this mission by promoting lifelong safety and health through a variety of community and professional programs.

**The Chabot-Las Positas Community College District (CLPCCD) Osha Training Center**, the only authorized OSHA Training Institute Education Center in Northern California, provides the highest quality safety and health training available based on the most current OSHA regulations and information.
