

Professional Safety Institute

Safety Management Specialist Certificate 2011

The Professional Safety Institute courses may be taken individually or as part of certificated programs. Courses are designed to aid students in the creation of effective safety programs at their workplaces. Students are strongly encouraged to take these courses in order as each level builds upon skills acquired in prior sessions. If you have questions about your path to Safety Management Specialist, contact our Open Enrollment Coordinator at (800) 825-7262 ext. 219 or quen@safetycenter.org for assistance.
